Jesus Christ is the
same yesterday and
today and forever.
[Hebrews 13:8](#)

The Holy Spirit
always has been, is
today and always
will be.

Begin October
seeing the presence,
power and activity
of the Holy Spirit in
Old Testament.
End the year with
readings on the
ever-present Holy
Spirit in your life.

All things come to
and through
believers by the
Holy Spirit.

Be encouraged to
capture key points
in a personal
journal.
